GENERAL WARRANTY CONDITIONS

Antonio Carraro S.p.A. guarantees its machines and own manufactured component parts for a period of 24 (twenty-four) months, beginning from the delivery date to the customer, as indicated in the certificate of delivery, but in any case not over 2000 use-hours (whichever elapses sooner). Within 30 days from the delivery date of the machine to the customer, the Importer must send the certificate of delivery to Antonio Carraro Service Department. On the contrary any warranty right is lost.

Repairs and/or replacements that are eventually carried out during the warranty period do not cause any change of the foreseen warranty terms.

During the warranty period Antonio Carraro S.p.A. undertakes to change or repair absolutely free of charge any damaged parts if it has been ascertained that the damage is due to manufacturing or material failure. The concerned parts will be changed or repaired by one of Antonio Carraro's or of its agents' or local concessionaires' authorised service centres within a short term, according to the possibilities of the entrusted service centre.

WARRANTY LIMITS AND EXCLUSIONS

All parts produced by A. Carraro are covered by warranty. Excluded from the provision of the warranty are following parts:

- Used and second hand products, even if they are A. Carraro products.
- Items not manufactured by A. Carraro such as tyres, engine and its electrical components, hydraulic components and other implements that are warranted directly by their respective manufacturers.

The provisions of this warranty do not apply to A. Carraro products if, in the judgement of A. Carraro, they have been:

- Damaged by improper use, accidents, other causalities, carelessness or negligence, or if used beyond their rated capacity.
- Equipped with attachments not authorised by A. Carraro.

- Damaged because of lack of normal maintenance service.
- Equipped with non-genuine A. Carraro spare parts.
- Damaged by repair or maintenance operations carried out without following the A. Carraro directions.

Moreover the warranty does not cover consume materials and/or lubricants. Following materials are in particular excluded from the warranty: filters, chains/belts, brake elements, clutch plates, lamps, fuses, electric motor brushes, rubber parts.

Moreover all costs for transport/transfer of the product to the repair place and back are not refundable.

A lack of normal maintenance causes the loss of all warranty terms. Moreover all economic damages caused because the product is eventually out of action are not refundable under warranty. A. Carraro shall not liable for any direct or indirect damages of any kind or nature.
